## Vulcan Zirconia - Flap Discs
## flap disc 125x22mm Gr80 Norton VULCAN

Artical Number: 63642502337

EAN: 3157629585405

SizeDerived: 125x22mm

### Description

Norton Vulcan flap discs provide greater aggression and fast stock Removal and is Ideal for smoothing down welding beads, light stock removal, deburring and blending. New Vulcan flap discs provide the ultimate grinding solution for all applications at a very competitive price level.

### Features & Benefits

Self-sharpening zirconia grain provides aggressive stock removal when needed and with lighter pressure, deburrs, blends and removes old paint layers and corrosion, on the periphery or interior of doors and wheel arches

Versatile product for rough grinding and deburring on steel and stainless steel

Self-sharpening zirconium abrasive grain

Strong cotton cloth backing provides strength, flexibility and wear resistance

High and regular cut rate at medium and low pressures

Optimised flap configuration and increased abrasive density makes this range ideal for all low and medium pressure applications on all metal types

Excellent price-performance ratio

### Application Data
