Artical Number: 63642533806

EAN:

SizeDerived: 115mm x25000m

Description

Coated abrasive rolls are ideal for fast easy sanding of various materials. They can be torn to exact lengths as needed.

Features & Benefits

White aluminium oxide grain is specially selected for finer sanding and finishing applications due to the quality of surface finish and the No-Fil® layer reduces clogging and improves product life

Light flexible paper backing gives a smooth and consistent finish throughout the whole process

The flexible foam is ideal for use on round edges, contours and curves without breaking through the paint

Units are packed in a handy dispenser box and have colour coded labels that show the grit size for quick product selection and easy storage
