Rapid Prep Extra Flex - File Belts non-woven file belt 6x610mm Medium Maroon Norton RAPID PREP

Artical Number: 63642536121

EAN: 8711479624315

SizeDerived: 6x610mm

Description

Norton non-woven belts are a combination of strong synthetic mesh and quality abrasive, bonded together by a smear-resistant adhesive. The open construction of non-woven material enables aggressive cutting action and improved surface finish while maintaining its non-loading feature. Ideal product to provide a great finish or remove burrs without gouging or undercutting the work piece.

Features & Benefits

Strong synthetic mesh and aluminium oxide abrasive bonded together with a smear-resistant adhesive

Vortex engineered grain technology combines the cutting speed of coarse grits with the finish of fine grits

Durable product for blending, finishing, cleaning, and light deburring

Open construction of non-woven material for tough cutting action without clogging or loading

Ideal for removing paint, rust, adhesives, coatings and sealant corrosion in hard to access areas

Most consistent cutting and finishing surface conditioning products on the market

Clean Bond technology - smear free, does not load on aluminium or soft metals

Application Data

Material Application: Steel, Stainless Steel

Machine: File Belt Sander

Process: Finishing
