

Abrasives Sponges - 1 Side Bulk Abrasive Sponges # 140x115x6mm Gr180 - Norton

Artical Number: 63642550602

EAN: 3157625679153

SizeDerived: 140x115x6mm

Description

Norton abrasive sanding sponges are designed for use on wood, paint and metal. Their flexible nature means they can be used on curved, contoured and flat surfaces.

Features & Benefits

Multi-purpose, can be used for wet or dry sanding

Thanks to the soft foam sponge backing, these sponges conform to the most complex shapes

Easy to reach areas inaccessible to sandpaper sheets

They generate a finer finish than conventional coated abrasives and when used wet, have a very long life

Conforms to surface shapes and contours, providing a uniform finish

Washable and robust can be reused, extending product life
