Norton Pro - Standard Sanding Sheets

Antiloading sanding sheet 230x280mm Gr600 Norton PRO

Artical Number: 63642586137

EAN: 3157625595538

SizeDerived: 230x280mm

Description

Norton offers a comprehensive range of paper, cloth and waterproof sheets for manual applications, used in all commonly encountered industrial applications.

Features & Benefits

Aluminium oxide abrasive grain for manual sanding of all paint layers and lacquer, until smoothing clear coat

Premium, aluminium oxide abrasive for fast cut rate and improved performance

The No-fil® coating reduces sanding dust build-up (clogging) on the abrasive for a longer product life and a perfect finish.

Made with a light latex fibre reinforced paper backing it is very flexible, long lasting and comfortable to use and provides complete surface smoothing and finishing on plaster, filler and varnish.

No-Fil® layer helps to prevent loading, meaning sheets can be used for longer

The water based No-Fil® improves resistance to clogging

Also available in bulk packs of 30 sheets.

Faster cut rate and longer life

Sheets can be used for manual sanding at size (230x280mm) or folded/ cut and used with an orbital machine or manual sanding block, pre-cut sheets (115x280mm) are also for use by hand or with an orbital sander
