Norton Blue Fire Inox Cutting Disc for Straight Grinder

Steel & stainless steel Flat cutting disc 63x1x10mm Norton BLUE FIRE for straight grinders

Artical Number: 66252828195

EAN: 5900442786935

SizeDerived: 63x1x10mm

Description

Norton Blue Fire metal-inox cutting off wheels can be used with a straight grinder and provides high performance, long life and comfortable working.

Features & Benefits

High-performance abrasive grain yields up to 50% more cuts than standard discs

Ultra Thin Wheels with high performance grain (thickness 1,0; 1,6) provide 50% + more cuts than similar cutting discs

Strong bond system in disc formula provides longer life, reduces workpiece burn and lowers the need for deburring

This product has a long life, offers easier cutting and fast working with minimal bluing or rework requirement

Wide range of disc sizes available for cutting and grinding using a straight grinder or angle grinder in small or hard-to-reach areas

Application Data

Material Application:	Steel,Stainless Steel
Machine:	Straight Grinder
Process:	Cut-Off
Equipments:	

Technical Data
