Description

The Black Ice range of waterproof sandpaper uses the highest technology abrasive manufacturing.

Features & Benefits

Premium silicon carbide grain delivers a fast initial cut and imparts a consistent finish across the surface

The synthetic bond gives flexibility to the sandpaper, without cracking or curling, ideal when used on vehicle contours

Use with a sanding block on flat surfaces or by hand, the extended grit range into higher grades is ideal for finer finishing applications

Use wet for sanding polyurethane primer and cutting back an old surface before spraying, can also be used for cutting back flush joints
