Gold Reserve - Regular Rolls Foamed Selfgrip
- Sanding roll foamed 115mm x25000m 240 grit Norton GOLD RESERVE

Artical Number: 66261097596

EAN:

SizeDerived: 115mm x25000m

Description

Gold Reserve Rotolo Foam is made from a sharp, hard premium aluminium oxide abrasive on a durable B-weight latex paper backing perfect for aggressive sanding. With a No-Fil water-based stearate and engineered coating techniques prevent clogging and loading. Ideal for sanding round edges, contours and curves.

Features & Benefits

Tough aluminium oxide grain produces a quick and cool cut

With sharp aluminium oxide grains, Gold Reserve is available in coarser grades, ideal for feather edging, stripping old paint and dry sanding of filler by hand

Durable B-weight latex paper backing supports tougher applications whist maintaining flexibility and is resistant to tearing

Strong B weight latex / paper backing resists tearing

Conformable and flexible

The No-Fil® water based stearate layer prevents dust build-up on the disc meaning it can be used for longer until being changed
