Description

Norton Microfibre Cloths are to be used after each step of the polishing process and for final cleaning, to leave a high gloss on a clear coat.

Features & Benefits

A high quality microfibre cloth which is extremely soft and absorbent

To eliminate any possibility of scratching the surface, each cloth is laser cut and the care sticker is removable

Perfect for polishing applications, washing, cleaning and detailing cars, trucks, boats, motorcycles and delicate surfaces and can be washed and reused, saving money

Absorbs eight times its weight in water, and dries in half the time of standard towels
