Clipper - Portable Belts
Pack of 4 sanding belt 100x610mm Gr120 Norton

Artical Number: 66261131046

EAN: 5900442867405

SizeDerived: 100x610mm

Description

Norton Clipper aluminium oxide sanding belts are available in diameters 75x533mm and 100x610mm. The high performance abrasive ensures a fast cutting action and high material removal, making them ideal for general purpose applications. The belts are also reversible so can be used both ways on the machine.

Features & Benefits

Aluminium oxide grain for general purpose applications.

Fast cutting action

High material removal

Reversible belts
