Multi Air Cyclonic - Special Rolls Trimmed Selfgrip Antiloading trimmed sanding roll selfgrip 72mm x12000m Gr220 Norton CYCLONIC

Artical Number: 66261151793

EAN:

SizeDerived: 72mm x12000m

Description

Norton Cyclonic pre-cut rolls are specifically engineered using the latest Norton Cyclonic dust extraction system. Made with premium ceramic No-fil A975, the rolls are colour coded by application for quick and easy product selection.

Features & Benefits

As part of the Cyclonic sanding system, the colour coded backing represents each application step for fast and easy product selection in panel preparation, from filler levelling to primer sanding, speeding up the process

Self-sharpening ceramic grain delivers superior cutting performance and longer life than other abrasive grains. Ceramic grains also cut cooler, and wear more evenly, providing consistent sanding results and a distinctly uniform scratch pattern

Self sharpening ceramic grain delivers superior cutting performance and longer life than other abrasive grains. Ceramic grains also cut cooler, and wear more evenly, providing consistent sanding results and a distinctly uniform scratch pattern

The self-grip backing is available in two dimensions that fit all sanding blocks for a fast and easy process from start to finish

Rolls are available in two dimensions with a self-grip backing to fit all sanding blocks; 7x125mm, 7x198mm, 7x42mm and 115x23mm
