Fine line
Tapes # 9mm x55m - Norton Fine line

Artical Number: 66261194995

EAN: 3157629148617

SizeDerived: 9mm x55m

Description

The Fine Line Tape range is designed for the demarcation of the most delicate paint work. This tape adheres and conforms easily to contours and irregular surfaces without wrinkling or tearing. Its thinness allows minimum edge build-up and leaves no residue when removed. Fine Line Tape can be used when resistance flakes and removal without adhesive transfer is important. Performs in temperatures up to 150°C for at least 30 minutes and leaves a sharp, clean separation line.

Features & Benefits

Used for the demarcation of the most delicate paint work, Fine Line tape conforms easily to the tightest contours without wrinkling

Vinyl backing does not leave adhesive residue when the tape is removed, even after baking at 150°C for 30 minutes

0.13mm thickness allows extremely precise demarcation of the area to be painted

Elongation of 150% provides excellent flexibility
