VTX Rapid Prep Low Flex - Surface Blending Discs surface blending disc 114.3 Fine Green Norton VORTEX

Artical Number: 66623333607

EAN: 3157629530832

SizeDerived: 114.3

Description

Vortex Rapid Prep Discs have the cutting speed of coarse grits with the finish of fine grits and can be used for blending, finishing, cleaning, and light deburring.

Features & Benefits

Vortex grain technology combines the cutting speed of coarse grits with the finish of fine grits

Durable product for blending, finishing, cleaning, and light deburring

Most consistent cutting and finishing surface conditioning products on the market

Clean Bond™ technology - smear free, does not load on aluminium or soft metals

Achieve a burr-free, paintable finish in fewer steps without damaging the base material
