Multiair zon - Selfgrip Cut Sheets

Sandpaper sheet selfgrip 70x198mm 60 grit Multi-Air Holes Norton

Artical Number: 69957394367

EAN:

SizeDerived: 70x198mm

Description

Norton Multi-Air with Norzon technology cut sheets combine the latest grain design and a high strength paper backing. These cut sheets are available in coarse grits for use in demanding applications where quick cutting speed and reduced dust is required. This new system contributes to faster working speed and improved worker's health. Use for fast removal of old paint layers, smoothing body filler on large areas and flattening sharp edges.

Features & Benefits

Aggressive cutting performance for heavy applications including paint stripping and removal of body filler when sanding and flattening sharp edges, whilst imparting a consistent and uniform scratch pattern

Heavy E weight paper backing adds resistance to help this range withstand tough removal of filler on bare metal

Application Data

Material Application: Paint & Varnish
Machine: Manual Sanding, Orbital Straight Sheet Sander, Sanding Block
Process: Stripping

Equipments:

Technical Data

Coated Sub-Shape:	Cut shts (<std sht) perf	Grit:	60
Backing Material:	Heavy Paper	Number Of Dust Collection Intake Holes:	Multi-Air Holes
Backing Treatment:	Velcro(>68 , <= to 95 g/m ²)	Length:	198 mm
Marketing CAP:	H835	Width:	70 mm
