

Multiair Plus - Selfgrip Cut Sheets - Sandpaper sheet selfgrip 70x125mm 220 grit Multi-Air Holes Norton

Artical Number: 69957396408

EAN:

SizeDerived: 70x125mm

Description

The special No-Fil coating of Multi-Air Plus prevents build-up of dust and avoids premature clogging. In very fine grits, it can be used for final dry sanding operations before spraying without the risk of runs. Self-grip fixing for easy application and removal from sanding block.

Features & Benefits

The advanced No-Fil® coating both prevents the build-up of dust and avoids premature clogging. In very fine grits, it can be used for final dry sanding before spraying

Patented Norton ceramic grain is blended with premium heat-treated aluminium oxide to deliver a very high cut rate that lasts up to twice as long as conventional abrasives and imparts a consistent, uniform scratch pattern

A unique fibre-reinforced latex paper backing adds to the flexibility and makes the cut sheets tear-resistant in all the applications.

Specifically designed for levelling filler to finishing primer

With the self-grip backing, the Multi-Air Plus is easily affixed or removed from the sanding block as required

Application Data

Material Application: Paint & Varnish
Machine: Manual Sanding, Orbital Straight Sheet Sander, Sanding Block
Process: Sanding
