Diam cup wheel - EXTREME CG

Diam cup wheel 125x22.23mm Norton Clipper EXTREME CG

Artical Number: 70184694993

EAN: 5450248697367

SizeDerived: 125x22.23mm

Description

Now with i-HD™ technology, Norton Clipper Extreme Cup Grinders provide the ultimate surface grinding performance on building materials, concrete, natural stone and abrasive materials.

Features & Benefits

i-HD segments provide the best finish, high material removal rates and longest life thanks to the uniform density of diamonds across each whole segment

i-HD segments provide the best finish, high material removal rates and longest life thanks to the uniform density of diamonds across each whole segment.

The unique large segment design enables faster grinding of large surfaces

The unique large segment design enables faster grinding of large surfaces.

Low vibrations provide better comfort during use

Low vibrations provide better comfort during use.

Large ventilation holes mean better cooling and less heat generation

Large ventilation holes mean better cooling and less heat generation.

Flat 125mm cup grinder is suitable for use on all vacuum grinders
