

THE TRUE BLUE. REINVENTED. ACCEPT NO IMITATIONS.

NEXT GENERATION GRAIN TECHNOLOGY

Next generation of premium, self-sharpening, 100% zirconia alumina abrasive for longer life, faster cut and outstanding durability. The anti-static technology increases dust collection efficiency for a cleaner working environment. And, the improved resin bond ensures grain retention under the most demanding applications.

Proprietary Zirconia Alumina Abrasive Advantages

- High level of productivity yields lowest total cost abrasive
- Outstanding removal with consistent finish and less airborne wood dust
- Proven performance of the original blue belt now infused with the newest grain technology for even greater results

PERFORMANCE ON FIRE

FEATURES

- Proprietary patented grain technology
- Self-sharpening zirconia alumina abrasive
- Anti-stat technology (belts)
- Improved resin bond
- Highest productivity yields

BENEFITS

- Produces one of the finest scratch patterns in the industry for a better looking finish
- Improves life and cut rate that outlasts conventional zirconia 2 to 1
- Increases dust collection efficiency for cleaner work environment and less clean up
- Ensures grain retention and provides an aggressive cut on demanding applications
- Lowers total abrasive cost
