## SHEETS

### A2750P

#### Features:

- Premium heat-treated grain
- Premium B-weight latex fiber-reinforced paper backing
- Superior bond system
- Water-based stearate No-Fil

#### Benefits:

- 30% - 50% faster cut rate
- Extended life
- Tear resistant
- More flexible

- Easier disc removal from back up pad
- Optimizes grain adhesion
- Extends cut life
- Improves load resistance
- Extends cut life

#### Typical Applications:

- Body filler sanding
- Putty sanding

#### Availability:

- Grit range: 80 - 1500

## NORTON PREMIUM WATERPROOF SHEETS T479

#### Features & Benefits:

- Norton's best in class Latex Black Waterproof Paper
- Premium silicon carbide grains provide high cut rate and smooth finish
- Ideal for both wet and dry sanding applications

#### Typical Applications:

- Automotive applications:
  - Paint stripping
  - Putty & primer sanding
  - Top coat sanding
- Wood polishing

#### Availability:

- Grit range: 80 - 1000

## NORTON WATERPROOF PAPER

### Features & Benefits:

- Latex waterproof paper
- Silicon carbide grains provide high cut rate and smooth finish
- Ideal for wet sanding

### Typical Applications:

- Body filler sanding
- Putty sanding
- Top coat sanding

### Availability:

- Grit range: 80 - 1500

## NORTON PREMIUM LATEX WATERPROOF SHEETS T279

### Features & Benefits:

- Highly flexible microfine grit Latex Waterproof Paper
- Ideal for top coat defect sanding applications
- Glossy finish

### Typical Applications:

- Clear coat sanding
- Jewellery polishing

### Availability:

- Grit range: 1000 - 2000

## DISCS

### NORTON VELCRO DISC - A216

### Features & Benefits:

- Strong paper backing
- Aluminum oxide grain
- Anti-loading

### Availability:

- Sizes: 5" X 5 holes, 6" X 6 holes
- Grit range: 80 - 400

### Typical Applications:

- Body filler sanding
- Putty sanding
- Primer sanding

## ROLLS

### A216 DRY ROLLS

#### Features & Benefits:

- FEPA graded premium AIO grain
- Strong C-weight paper backing
- Non-loading formulation, bond impregnated
- Quick, cool cut with increased productivity
- More consistent scratch pattern
- Resists tearing & loading
- Comfortable

#### Typical Applications:

- Body filler sanding
- Putty sanding

#### Availability:

- Grit range: 80 - 400 and flexible

### A275 DRY ROLLS

#### Features & Benefits:

- Premium aluminum oxide grain
- Excellent for use on wood, paint, lacquers
- High productivity, long lasting

#### Typical Applications:

- Body filler sanding
- Putty sanding

#### Availability:

- Grit range: 80 - 400

## MASKING PRODUCTS

### NORTON LION MASKING TAPES - BEST

#### Features & Benefits:

- Crepe paper self-adhesive masking tapes
- Excellent adhesion strength
- Rubber based adhesive does not leave any mark on the substrate

#### Typical Applications:

- Auto, wood, laminate applications

#### Availability:

- 12 - 48mm width
- 10 - 45m length

### NORTON REFINISH MASKING TAPES

#### Features & Benefits:

- Crepe paper self-adhesive masking tape
- Excellent adhesion strength
- Rubber based adhesive does not leave any mark on the substrate

#### Typical Applications:

- Auto, wood, laminate applications

#### Availability:

- 18 - 48mm width
- 20 - 45m length

## COMPOUNDS

### NORTON REVOLUTION FAST CUT CREAM

#### Features & Benefits:

- General use paste type compound
- One step system for fast cutting action and high gloss finish
- Use with water for optimum performance

#### Availability:

- Sizes: 2.5kg, 1kg, 200g, 100g

### NORTON REVOLUTION LIQUID WAX

#### Features & Benefits:

- High shine & smooth finish
- Leaves no residue on the surface
- Protects against contaminants and harmful UV rays

#### Typical Applications:

- Auto refinish
- Auto DIY
- Wood coatings

#### Availability:

- 100ml, 1L

## FILLERS & PUTTY

### NORTON REVOLUTION BODY FILLER

#### Features:

- Smooth spreading and easy levelling
- Excellent feather-edge adhesion to bare and galvanized steel

#### Availability:

- Size: 3kg

### NORTON REVOLUTION POLYESTER PUTTY

#### Features & Benefits:

- Two component filling / finishing putty
- Excellent adhesion to bare metal and OE finishes

#### Availability:

- Size: 1kg

## ACCESSORIES

### LAMBS WOOL PAD

#### Features:

- Engineered to work with Norton compounds and polishes to achieve optimal cut in the least amount of time while producing the best finish
- For small spot repair areas, 3" pads work just the same as the larger pads with Norton compounds and polishes

#### Availability:

- Size: 8 inches

### NORTON TACK CLOTHS

#### Features & Benefits:

- Specially formulated soft cloth - effectively removes dust, dirt and sanding residue
- Contains no waxes or silicones; compatible with all paints
- Will not dry out - always remains soft and tacky
- Spontaneous combustion proof, non-toxic and anti-static

#### Availability:

- Regular, Premium

## ACTIVE LUBE CHAIN

### Features & Benefits:

- Penetrates well into chain links and roller parts
- Specially formulated for high wear & tear applications
- Contains no solvent/silicones
- Penetrates and sticks to give long lasting lubrication

- Improves chain/cable life with better wear resistance
- Prevents rust and corrosion
- Reduces friction and power loss

### Availability:

- Net Wt: 325gms | 450ml, 65gms | 100ml
- Pack Qty.: 12, 24

## ACTIVE LUBE ELECTRICAL EQUIPMENT

### Features & Benefits:

- Non-flammable CO<sub>2</sub> propellant
- All angle spray (including upside down)
- Pleasant odour
- Contains no chlorinated solvent/silicones
- Displaces water & prevents corrosion

- Improves equipment performance by forming non-drying, non-conductive oily film
- Prevents electrical malfunctions
- Safe on most plastics, metals, rubbers & insulation material

### Availability:

- Net Wt: 400gms | 500ml
- Pack Qty.: 12

## ACTIVE LUBE MULTI-FUNCTION

### Features & Benefits:

- Non-flammable CO<sub>2</sub> propellant\*
- All angle spray\* (including upside down)
- Pleasant odour
- Contains no chlorinated solvent/silicones
- Removes dirt and corrosion
- Eliminates noise in moving parts

- Loosens rust from mating parts
- Lubricating oil film temporarily protects against corrosion
- Removes moisture from metals, motors, etc.

### Availability:

- Net Wt: 325gms | 400ml, 65gms | 100ml
- Pack Qty.: 12, 24

## ACTIVE CLEAN BRAKE

### Features & Benefits:

- Removes grease, oil and other contaminants
- Fast drying formula that doesn't leave residue
- CO<sub>2</sub> filled cans with 97% active weight and safe to use
- Contains no solvent/silicones
- High pressure spray flushes out dirt & dust without dismantling brakes

- Quickly removes road debris, grease, oil and other contaminants
- Also functions as general degreaser on engine parts

### Availability:

- Net Wt: 400gms | 510ml
- Pack Qty.: 24

## ACTIVE CLEAN THROTTLE BODY, CARB & CHOKE

### Features & Benefits:

- Removes gum, sludge, varnish, grease and dirt from carburetors, linkages and automatic chokes
- Fast acting, easy to use formula
- CO<sub>2</sub> filled cans with 97% active weight and safe to use
- Contains no solvent/silicones
- Cleans and maintains carburetors efficiently

- Enhances engine power & efficiency, reduces smoke
- Prevents dirt build up with regular use
- Safe on oxygen sensor

### Availability:

- Net Wt: 350gms | 450ml
- Pack Qty.: 24

## ACTIVE CLEAN CHAIN

### Features & Benefits:

- Penetrates well into chain links and roller parts
- Does not damage chain/roller parts
- Contains no solvent/silicones
- Removes rust, grease and dirt
- Cleans and leaves oily layer for lubrication

- Improves chain/cable life
- Reduces friction and power loss

### Availability:

- Net Wt: 325gms | 450ml
- Pack Qty.: 12

## TOOLS

### RANDOM ORBITAL SANDER

#### Features & Benefits:

- The lowest profile in the industry that provides unparalleled control & maneuverability.
- Vibration absorbing “comfort grip” improve feel & reduce hand fatigue.
- Inline dust path with Dual Channel Exhaust Port on vacuum models improve flow efficiency & prevents blocking.
- 0.30W Motor - Highest in Category, High Suction.
- Dual Channel Exhaust Port - Increased vacuum efficiency with dual channel exhaust port.
- Fan Blade cooling System imparts longer tool life.

### ELECTRIC DUST EXTRACTION MACHINE

#### Features & Benefits:

- High Vacuum Capacity of 41Litres tank capacity.
- Reusable Fleece Dust Bag offers low maintenance cost. No paper dust bag is required.
- All Coupling & Connectors included, compatible with most of Random Orbital sanders.
- Easy Installation Process (Almost Pre-Installed Condition).

#### Accessories (Inclusive):

- Antistatic Coaxial Hose Pipe - 2 No.
- Y Connector - 1 No.
- QRC Coupling for Sanders - 2 No.
- QRC Coupling for Inlet - 1 No.
- Cone Adapters - 4 No.
- Single Hose Connector - 1 No.
- Y Connector for Pneumatic Connection - 1 No.

## NORTON VENTURA KIT

### Features & Benefits:

- Designed with the user in mind, the Norton Ventura Kit is ergonomic, resistant and built for performance
- The special rubber grip provides good, comfortable handling

### Accessories (Inclusive):

- 3 Meter Flexible Hose Pipe - 1 No.
- Cloth Dust Bag - 1 No.
- Paper Dust Bag - 1 No.

## NORTON 2" MINI ANGLE GRINDER - AS245

### Features & Benefits:

Mini Angle Grinder 50mm (2") Max  
RPM 22,000 (0.45HP)

- Designed for use with the quick-change back-up pad and SpeedLok and mini flap discs.
- Use with 38mm and 50mm quick change sanding discs & spindle mounted sanding specialties only.

### Applications & suitability:

- Final surface finishing, chamfering, deburring of architectural millwork, sheet metal and surface prep, zinc casting, aluminium products, injection moulds, etc. general high speed sanding and polishing.

### Caution:

- The accessories must have a rated speed greater than the speed marked on the tool.

## NORTON DRY SANDING - DISC

### Features & Benefits:

- The Norton Dry Sanding Discs provide a fast cut rate with no clogging, resulting in a longer lasting product, and an outstanding result.

- More consistent uniform scratch pattern
- Flexible & tear resistant
- Improved load resistance
