

NORTON

SAINT-GOBAIN®

YOUR PROTECTION IS OUR PRIORITY.

Whether you're sanding body filler or completing a plastic repair, safety is critical and should be in the forefront of your mind. Norton now carries a full range of safety products that adhere to the same standards of quality as our premium abrasive products and are designed with the automotive technicians needs in mind.

Norton nitrile/latex disposable gloves provide options for safety and comfort while tackling even the toughest repair jobs, while the full range of Norton safety glasses and foam ear plugs ensure you're always protected from dust and debris.

QUALITY THAT PAYS™

SAINT-GOBAIN

GENERAL PURPOSE 4 MIL NITRILE GLOVES

Economical all-purpose blue nitrile gloves are ideal for smaller projects or when changing gloves frequently is necessary.

076607 68281	Norton Premium	12	25
076607 68282	Norton Over Prescription	12	25

FOAM EAR PLUGS

Norton foam ear plugs are comprised of soft foam formed in a tapered shape that allows them to fit easily in the ear. The smooth surface allows the plugs to fit tight and comfortable in the ear with no irritation. Their high NRR rating makes them ideal for most noisy environments. The corded plugs are ideal for keeping track of the ear plugs when not in use.

- NRR rating of 32 decibels
- Offer both loose and corded versions
- Soft foam for comfortable fit.
- Individually packaged

PART #	STYLE	PAIR/ PACK	PACKS/ CASE
076607 68367	Loose	1	200
076607 68368	Corded	1	100
