PUT YOUR CLEAN-UP PROBLEMS BEHIND YOU!

REACH FOR NORTON BLAZE RAPID STRIP DISCS

These discs can handle all your tough stripping needs on all kinds of surfaces: rust spots, wheel wells, under the hood, truck beds, door jambs, under carriages and hard-to-reach areas. Or, try its fast, aggressive stripping action on undercoatings, pinch welds and drip rails. It won't quit, load, fray or tear.

So, why spend more time on surface preparation than you have to? When the going gets tough, reach for Norton Blaze Rapid Strip and Blaze your way to greater productivity.

QUALITY THAT PAYS™

SAINT-GOBAIN

CERAMIC ALUMINA RAPID STRIP DISCS

- Ceramic Alumina Rapid Strip Discs abrasive technology provides a longer life, up to twice the life of conventional competitive products
- Open web construction resists loading and is effective on sharp, jagged surfaces
- Because of the synthetic web impregnated with abrasive, the discs will not rust or splinter, making them a great alternative to wire brushes

TR+ Disc

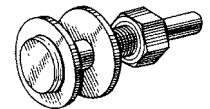

Norton Blaze Rapid Strip discs are constructed with thick, strong synthetic fibers and extra-coarse ceramic alumina abrasive. The open web construction of the disc provides fast cutting action with very little loading. Safer than wire bristle tools, Norton Blaze Rapid Strip aggressively removes rust and paint from drip moldings, pinch welds, door jambs, seams and other difficult to reach areas. The TR+ attachment system allows for rugged cleaning in tight areas.

PART #	DESCRIPTION	RPM	COLOR	PACKAGE	PKG/CASE
666233 31054	4" TR+	8,000	Orange	5	1
636425 55106	TR+ Back-up Pad	–	–	1	1

Disc with Mandrel

Mandrel assembly will adapt the Norton Blaze Rapid Strip disc for use on portable tools. The assembly consists of a mandrel, nut and two washers.

PART #	DESCRIPTION	RPM	COLOR	PACKAGE	PKG/CASE
662610 09324	4" x 1/4" hole	6,000	Orange	5	4
662610 09502	Mandrel 3-1/16" x 1/4" shank	–	–	1	1

Speed-Lok TR Disc

Excellent for removal of rust, undercoating, seam-sealers and stone guards, these discs can get into hard-to-reach areas like wheel wells and under carriage. Ideal for truck beds and door jambs. Use to remove oxidation from tire rims and to remove rust from brake assemblies.

PART #	DESCRIPTION	RPM	COLOR	PACKAGE	PKG/CASE
666233 31051	2" TR	15,000	Orange	10	1
666233 31053	3" TR	12,000	Orange	10	1
662610 55103	2" TR Back-up Pad	–	–	10	1
666233 55105	3" TR Back-up Pad	–	–	10	1

⚠ SAFETY TIP

Always wear protective safety gear, do not exceed the maximum rpm and never modify tools, discs or adapters.
