QUADROFLEX™
DIAMOND FLEXIBLE
SHEETS AND HAND PADS

INDUSTRY-LEADING ERGONOMIC AND ECONOMIC SOLUTIONS

Patented, durable quadroflex-patterned diamond on a high-strength flexible backing.

Our flexible, self-dressing, non-loading Quadroflex diamond sheets and hand pads excel on repair, surface conditioning, and flash and burr removal, providing fast, uniform stock removal, and improved surface quality and finishes. They can be used wet or dry.

THE IDEAL CHOICE FOR AEROSPACE COMPOSITE AND WIND BLADE HAND APPLICATIONS.

- Conformable shape reduces operator effort
- Non-binding, free-cutting Quadroflex pattern
- Sharp diamond delivers superior cut rates and long life
- Significantly outlast conventional coated products
- Lowest overall cost

FOR HIGH STOCK REMOVAL
