

BULK UP FAST WITH NORTON WALLSAND

Norton WallSand bulk drywall sheets are designed with the specific needs of professional contractors in mind. Today's joint compounds need a quality abrasive with a lower profile grain and lighter weight flexible backing that can tackle demanding surface areas with ease, and deliver a consistent surface finish for applying primer and paint. Packaged in bulk, Norton WallSand bulk drywall sheets meet these requirements and result in flawless walls and ceilings with fewer trips to the store to stock up.

FEATURES & BENEFITS

- Lighter weight backing delivers excellent flexibility for demanding drywall sanding situations
- Top-quality aluminum oxide grain produces shallow scratch pattern for improved surface finish on walls and ceilings
- Conveniently re-closeable, bulk-packed design saves you valuable money and time on the job site
