

Reshaping
your
world.

**MADE TO
SLICE**

**BETTER OPERATOR COMFORT,
LESS CUTTING TIME,
LESS DOWNTIME & WASTE**

www.nortonabrasives.com/en-gb

The perfect formulation of customer feedback, our relentless commitment to end-user comfort and a brilliant infusion of technology brings this new range of cutting discs to the forefront.

The impressive cutting action doesn't compromise on comfort, as it effortlessly slices into metal whilst delivering remarkable power and refined control from start to finish. So you have a faster and smoother cutting performance while using fewer discs for the job.

HOW WILL IT BENEFIT YOU?

OPERATOR COMFORT

with reduced hand fatigue from less cutting vibration

LESS CUTTING TIME

with a sharper disc in two thicknesses for speed and life

LESS DOWNTIME & WASTE

with longer disc life using fewer discs

Norton Quantum3 is our best in class cut-off disc, available in 1.3mm thickness. If you want speed of cut and work on thin or hollow materials, the 1.3mm is the one, it provides speed, comfort and long life, outperforming the competitor ceramic 1,0mm discs.

If you are cutting thicker materials and life of the disc is important, then the 1.6mm is the disc for the job. **No effort, speed and long life!**

WHATEVER YOUR PICK IS, EXPERIENCE THE **EXTRA-SMOOTH CUTTING ACTION**, THANKS TO OUR **PREMIUM CERAMIC GRAIN**.
