

Farécla

Super Fast. Super Easy!

Farécla G360 is a radical new polishing system.

G360 Super Fast Compound

G360 Super Fast Compound easily glides over the surface while rapidly cutting to remove P1200 sanding marks- saving time and money. Transparent in use, the operator is able to see these marks disappear permanently.

- Removes P1200 or finer scratches
- Use on all refinish clear coats and OEM paint
- Heavy viscosity for reduced sling and easy clean-up
- Easy glide technology

Applications: Use on a clean, cool surface. Use an electric or air buffer set between 1200-1500rpm, applying light pressure. In each step, apply enough (dime size) compound to the paint surface to work a 2x2ft area. For best results, use enough compound to keep a thin wet film on the surface for several passes.

G360 Super Fast Finish

G360 Super Fast Finish easily eliminates swirl marks and other minor defects rapidly and with little effort, leaving an enhanced deep gloss finish. Transparent in use, the operator is able to see the permanent results.

Ideal for darker colors, after using G360 Super Fast Compound system.

- Ultra high gloss finish
- Eliminates swirl marks and fine scratches
- Transparent in use
- Minimal wiping

Refinish Solutions Group

Farécla G360 Super Fast Compound and Finish is a radical new polishing system developed to eliminate the need for expensive finer grit abrasives which many other compound/polishes do not.

Please follow the below best practices as the Standard Operating Procedure for both dark and light colored vehicles:

Dark color system recommendation:

- Prep area by sanding with 1500 and 2000 grits (Q175 and Q255 foam)
- Use the Farécla/REVvive Buffing system:
 1. Use Farécla G360 Compound with REVvive wool or white foam pad
 2. Use Farécla G360 Compound with REVvive black foam pad
 3. Use Farécla G360 Polish with REVvive blue foam pad

Light color system recommendation:

- Prep area by sanding with 1500 and 2000 grits (Q175 and Q255 foam)
- Use the Farécla/REVvive Buffing system:
 1. Use Farécla G360 Compound with REVvive wool or white foam pad
 2. Use Farécla G360 Compound with REVvive black foam pad
