

MULTI-CUT

A CUT-ALL BLADE

The new Norton Clipper Multi-Cut diamond blade is the perfect combination of performance and price on high-speed, masonry, and floor saws. The laser welded segments are designed for cutting speed and long life, while a precise 1/20mm laser cut dual arbor hole provides consistently secure mounting on the saw. Premium features combined with low pricing make for a reliable, fast cutting, long life blade for a variety of common construction materials.
