

BBC SERIES BLOCKBUSTER COMPACT PORTABLE MASONRY SAWS

THE BBC SERIES MASONRY SAWS COMBINE THE PERFORMANCE OF A FULL SIZE MASONRY SAW WITH THE CONVENIENCE OF PORTABILITY.

- Available in gas or electric versions
- A rugged jig-welded frame, durable enough for even the heaviest work load
- Stay level blade guard for full depth of cut
- The extended length and open back of water pan design make easier rip cutting of larger masonry materials
- Unique design of tilt-locking cart wheels keeps conveyor in place with less shifting and smoother push/pull
- Integrated forklift brackets for easy loading, unloading, and movement around the work site
- Standard rear wheel dolly design and removable legs make transport and set-up easy
