

## NORTON A293 ECO SANDING DISC

TECHNICAL DATA	DESCRIPTION
PRODUCT NAME	A293ECO
BRAND NAME	Norton
BACK PRINTING	Norton
BACKING	B-wt Paper
ABRASIVE	Semi-Friable Blue Aluminium Oxide
DISTRIBUTION	Open Coat with no-fil coating
BOND	Resin/Resin
COLOUR	Abrasive side: Yellow / Backing side: Yellow
TREATMENT	No-fil coating
GRIT RANGE	P80- P120- P180-P220-P240-P320-P400-P500-P600
WIDTH	1380mm (Jumbo)
SHAPE AVAILABILITY	Sheets, Discs, Rolls
APPLICATIONS	<ul style="list-style-type: none"> <li>• Paint Removal &amp; Putty Grinding, Metalworking, Light metal removal.</li> <li>• Putty &amp; Paint Grinding</li> <li>• Wood sanding</li> <li>• Paint finishing and polishing for Furniture manufacturing.</li> </ul>

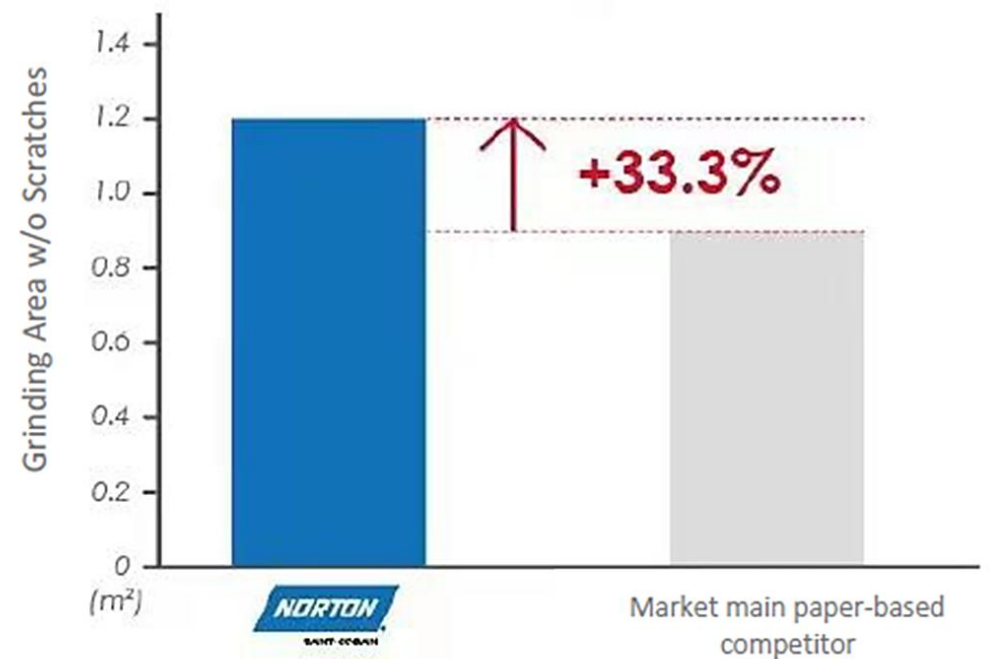

# NORTON A293 ECO SANDING DISC

Norton GOLD Dry Sanding Disc

## Long Service Life

Real case study: Chain auto repair store (500 faces/month)

Consumables cost saving : **5,800** CNY/year

### Product Advantages

- Exellent price performance (Life)
- Reinforced paper base
- Long lasting No-Fil coating

### Benefits to Customer

- Low consumables cost
- Longer life due to tear/wrinkle resistance
- Longerlife due to anti-blocking

**Application:** P80~P240: Paint Removal & Putty Grinding

P320~P600: Putty & Paint Grinding

**Product:** 6" 17H Dry Sanding Disc

P80/P120/P180/P240/P320/P400/P500 Hook Disc

**Equipment:** Norton Sanding System, 6" No.3/No.5 pneumatic grinder

- Timing grinding of putty P80~P240 and evaluate grinding decay and material removal efficiency change.
- Timing grinding of paint surface P320~P500 and evaluate grinding decay and surface quality change.
